

Stacy,

We here at Teo's Day Spa are so pleased with The Smart Circle promotion! Thank you so much for all of your patience, time and effort you have done to make our spa become successful! Not only have you been great to work with and so informative, but your sales team has been doing great selling to the "right" kind of people. Customers who aren't just looking for a cheap spa day, but are interested in taking care of themselves and need a spa to return to! Bringing these customers to us is half the battle, now it's up to us to keep them coming back for more, and with your helpful hints of upgrading we are assisting these customers to increase their spa experience. So, thank you again, and we are so happy and thankful to you and the sales team for increasing our business and clientele.

Thank you,
